

Public access to documents in the European Parliament's file on the Anti-Counterfeiting Trade Agreement (ACTA)

Case opened

Case 2393/2011/RA - **Opened on** 21/12/2011 - **Decision on** 22/07/2013 - **Institution concerned** European Parliament (No maladministration found) |

Allegation(s)

The complainant alleges that Parliament has failed to put forward valid justifications under Regulation 1049/2001 for not providing access to the documents in question.

Claim(s)

The relevant documentation should be published immediately or, in any event, an adequate period of time before Parliament votes on the Anti-Counterfeiting Trade Agreement.
