

The European Ombudsman turns 25

Document - 01/01/2020

2020 marks the 25th anniversary of the European Ombudsman. Since it was set up in 1995, the Ombudsman's Office has worked as an independent and impartial institution that upholds transparency, ethics and accountability in the EU public administration.

Over the course of the year, we plan to highlight how the Ombudsman works and some of the achievements over the past 25 years: online, in publications and at different events. You can follow all our activities on our website or through our social media channels, and join the discussion by using the hashtag #EO25years.
