

The European Commission's failure to reply to a request for public access to documents referring to migration management in Greece

Case 1853/2020/MIG - **Opened on** 27/10/2020 - **Decision on** 27/11/2020 - **Institution concerned** European Commission (Settled by the institution) |

The complainant sought public access to documents concerning border and migration management linked to a visit to Greece by EU Commissioner for Home Affairs Ylva Johansson. As the European Commission had not replied within the applicable timeframe, the Ombudsman asked the Commission to reply to the request. Following the Ombudsman's request, the Commission replied to complainant, granting him almost full access to the documents in question, and the Ombudsman therefore closed the inquiry.
