

Decision of the European Ombudsman on complaint 775/2003/ELB against the Committee of the Regions

Decision

Case 775/2003/ELB - Opened on 05/06/2003 - Decision on 01/10/2003

Strasbourg, 1 October 2003

Dear Mrs M.,

On 30 April 2003, you made a complaint to the European Ombudsman on behalf of the Staff Committee of the Committee of the Regions concerning recruitment issues.

On 5 June 2003, I forwarded the complaint to the President of the Committee of the Regions.

On 25 June 2003, you informed me that you had received supplementary information from the Committee of the Regions and that you wished to withdraw your complaint. You consider that your complaint was based on a lack of information and that the information you received is satisfactory.

Since you no longer wish your complaint to be investigated, the Ombudsman closes the case.

The President of the Committee of the Regions will be informed of this decision.

Yours sincerely,

P. Nikiforos DIAMANDOUROS
