

A State aid complaint against the Netherlands

Case opened

Case 1381/2014/PL - **Opened on** 11/08/2014 - **Decision on** 07/05/2015 - **Institution concerned** European Commission |

Allegation(s)

The Commission wrongly failed to decide within a reasonable period whether it should open a formal investigation into the complaint concerning alleged State aid granted by the Netherlands in the shipbuilding sector.

Claim(s)

The Commission should decide within a reasonable period whether it should open a formal investigation into the complaint concerning alleged State aid granted by the Netherlands in the shipbuilding sector.
