

Failure to grant public access to documents relating to EMA's public consultation on publication of and access to clinical trial data

Case opened

Case 1402/2014/DK - **Opened on** 10/09/2014 - **Decision on** 21/11/2016 - **Institution concerned** European Medicines Agency (Settled by the institution) |

Allegation(s)

The European Medicines Agency failed to grant public access to documents relating to its "public consultation" on publication of and access to clinical trial data.

Claim(s)

The Agency should grant public access to the requested documents.
