

The European Commission's calculation of the capital transferred from the complainant's national pension scheme and its effect on his pension rights under the EU pension scheme

Case opened

Case 1958/2014/ANA - **Opened on** 10/12/2014 - **Decision on** 02/12/2015 - **Institution concerned** European Commission (Settled by the institution) |

Allegation(s)

The Commission failed properly to address the complainant's arguments regarding the calculation of the number of years of his pensionable service.

Claim(s)

The Commission should address the complainant's arguments and recalculate the number of years of his pensionable service in a manner that is more favourable for him.
