

## **The Commission's refusal to give effect to a binding Dispute Adjudication Board decision on a dispute related to a contract to implement measures encouraging the economic development of the Turkish Cypriot community**

Case opened

**Case** 121/2015/NF - **Opened on** 17/02/2015 - **Decision on** 27/10/2015 - **Institution  
concerned** European Commission ( Critical remark ) |

### **Allegation(s)**

The Commission has wrongfully refused to give effect to the Dispute Adjudication Board's binding decision on its contractual dispute with the complainant.

### **Claim(s)**

The Commission should give prompt effect to the Dispute Adjudication Board's binding decision and pay the sums of money identified therein to the complainant.
