

Audit findings

Case 2048/2014/JAP - **Opened on** 30/01/2015 - **Decision on** 22/05/2017 - **Institution concerned** European Commission (Solution achieved) |

Allegation(s)

The audit findings presented in the final audit report are flawed.

Claim(s)

The Commission should revise its final audit report or explain why the complainant's arguments do not justify a revision.
