

The Commission's refusal to give effect to a binding Dispute Adjudication Board decision on a dispute related to a contract to implement measures encouraging the economic development of the Turkish Cypriot community

Case 121/2015/NF - Opened on 17/02/2015 - Decision on 27/10/2015 - Institution concerned European Commission (Critical remark) |

Allegation(s)

The Commission has wrongfully refused to give effect to the Dispute Adjudication Board's binding decision on its contractual dispute with the complainant.

Claim(s)

The Commission should give prompt effect to the Dispute Adjudication Board's binding decision and pay the sums of money identified therein to the complainant.
