

Alleged delays in the authorisation procedures concerning 20 applications on genetically modified food and feed for import into the EU

Case 1582/2014/PHP - Opened on 17/10/2014 - Decision on 15/01/2016 - Institution concerned European Commission (Critical remark) |

Allegation(s)

The Commission has caused illegal and unreasonable delays in the authorisation process of twenty applications submitted pursuant to Regulation No. 1829/2003.

Claim(s)

The Commission should put to vote in the relevant committee and/or adopt a formal decision on the twenty pending applications and abstain from causing any such delays in the authorisation process in the future.
