

## **Publication of information on how the euro area Member States meet the convergence criteria**

**Case 356/2014/KM - Opened on 17/03/2014 - Decision on 09/02/2016 - Institution concerned** European Central Bank ( No maladministration found ) |

### **Allegation(s)**

The ECB failed to publish statistics on the compliance with the convergence criteria by the euro area Member States.

### **Claim(s)**

The ECB should publish those statistics in a user-friendly overview in its annual report.
