

Access to documents

Case 2004/2013/PMC - **Opened on** 12/11/2013 - **Recommendation on** 02/10/2014 -
Decision on 05/11/2015 - **Institutions concerned** European Commission (Critical remark) |
European Commission (Draft recommendation partly accepted by the Institution) |

Allegation(s)

The Commission wrongly refused the complainant's request for public access to documents related to the surveillance of the internet by UK state agencies.

Claim(s)

The Commission should grant the complainant access to the documents identified by the Commission in its letter to the complainant of 14 August 2013 as falling within the scope of his request for access.
