

Exclusion of an association from membership of the Fundamental Rights Platform

Case 565/2012/ER - Opened on 28/03/2012 - Decision on 02/04/2014 - Institution concerned European Union Agency for Fundamental Rights (No maladministration found) |

Allegation(s)

The European Union Agency for Fundamental Rights ('FRA')s decision to reject the complainant's application for membership in the Fundamental Rights Platform is arbitrary, unjustified and discriminatory.

Claim(s)

-

The FRA should reconsider its decision to reject the complainant's application for membership in the Fundamental Rights Platform.

-

The FRA should publicly apologise to the complainant.
