

The rejection of a complaint concerning the alleged infringement by the UK and/or Cyprus authorities of the rules relating to the practice of the legal profession within the EU

Case 2528/2011/MMN - Opened on 17/01/2012 - Decision on 10/07/2014 - Institution concerned European Commission (No maladministration found) |

Allegation(s)

- 1) The Commission wrongly rejected your complaint relating to the alleged infringement by the UK and/or Cyprus authorities of the rules concerning the practice of the legal profession within the EU.
- 2) The Commission failed to assess your infringement complaint within a reasonable time and, moreover, failed to reply to the correspondence addressed to it in a timely fashion.

Claim(s)

- 1) The Commission should resume its investigation into the complaint and initiate infringement proceedings against the MemberState(s) concerned.
- 2) The Commission should reply to correspondence addressed to it within one week.
- 3) The Commission should provide you with adequate compensation for your inability to practice as a lawyer during this period of time.
