Decision

in case 748/2016/DK on the failure by the European External Action Service to answer correspondence

1. The complainant wrote to the European External Action Service (EEAS) about certain grievances relating to his role in the execution of a framework contract with the Office of the European Union Representative for West Bank and Gaza Strip (EUREP).
2. As the complainant did not receive a reply, he turned to the Ombudsman.
3. The Office of the Ombudsman made contact with the relevant service of the EEAS. The service then replied to the complainant.
4. As the matter thus is solved, the Ombudsman closes the case
