

Implementation by the Commission of a Pilot project and a Preparatory action on European research grants for cross-border investigative journalism

Case 325/2016/DR - Opened on 17/06/2016 - Decision on 19/02/2019 - Institution concerned European Commission (No maladministration found) |

Allegation(s)

The Commission deliberately altered the 2013 version of a feasibility study on European research grants for cross-border investigative journalism in order to justify its decision not to implement the grant scheme.

Claim(s)

The Commission should find a way to implement the project, in line with the conclusions of the 2013 version of the feasibility study.
