Subject: Suggestions on Public Service Principles, draft for public consultation

Dear Mr Harden,

It was a pleasure to meet Mr Diamandouros, Mr O' Regan and you today and to participate in the interesting exchange of views.

On the 'Public Service principles' I would like to suggest incorporating specifically a reference to the following principles:

Proportionality
Impartiality
Evenhandedness
Honesty
Constraints of law and rules for civil servants

We will await with interest the finalisation of this document to guide EU civil servants. It will be a further additional tool for us to use to help our staff at this Agency to understand the ethical principles by which we do work and aim to achieve.

Regards,

Frances Nuttall
