Motion for resolution under Rule ~~47~~ 63
tabled by Mrs Barbara Castle

B2-804/87

Subject: A European Ombudsman

The European Parliament

- A. aware that many citizens of EEC countries who live in other EEC member states face numerous bureaucratic problems in their daily life
- B. conscious that these citizens do not often have a clear Parliamentary representative to whom they can confidently turn to help them with their difficulties;
1. Suggest that the EEC should set up an EEC ombudsman who should be responsible for helping with these people's problems;
 2. Asks that such a post be initiated by the Commission as soon as possible;
 3. Asks its President to forward this resolution to the Commission and the Council.
