Own-initiative inquiry OI/4/2013/CK**

Dear Ms O'Reilly,

With reference to the inquiry OI/4/2013/CK, please be informed that the recruitment procedures at the EIT are governed by the Implementing Rules on the engagement and use of Temporary Agents and Contract Agents. More specifically, we can confirm that no information about selection committee members is published either in the vacancy notice or on our website. The names and the affiliation of the committee members are only disclosed when the committee members present themselves to the invited candidates at the beginning of each interview.

As a consequence, the EIT has not taken any specific measure in order to ensure compliance with data protection requirements.

Regarding transparency, I would also like to add that the following measures have been implemented at the EIT:

- the selection committee members are appointed at the time of the publication of the vacancy notice;
- the selection criteria are set by the selection committee prior to the assessment of the applications;
- the ranking of candidates on the reserve list is established in order of merit;
- the appointing authority does not take part in the selection procedures.

I hope the above explanation answers your questions.

Looking forward to a fruitful collaboration in the future, I remain

Yours sincerely,

José Manuel Leceta
