Dear Mr. Grill,

First of all I would like to apologise for the delay in replying to the European Ombudsman's own-initiative inquiry OI/4/2013/CK concerning the EU Agencies.

Having said this, I would like to provide you with SatCen's answers to the questions included said inquiry:

1. The names of the Selection Board members are not disclosed to the applicants before the interview. The composition of the Panel is established by the Director of SatCen. Taking into account the field of activity of the EU SatCen within the Common Security and Defence Policy (CSDP), the disclosure regarding names / posts is not envisaged.

Should you need any additional information, please do not hesitate to contact us again.

Yours sincerely
