Subject: Survey – Your reference OI/4/2013/CK

Dear Mrs. O'Reilly,

Reference is made to your letter dated 12 August 2013 regarding your inquiry regarding the disclosure of the names of Selection Board members.

I would like to reply to the questions raised in your letter as follows:

Question 1:

EIOPA publishes in the vacancy notice the name and email of the contact person for questions on the position. The contact person is the chairperson of, or a relevant expert participating in, the Selection Board.

In addition, the full composition of the Selection Committee is disclosed to shortlisted candidates who are invited for panel interviews.

Question 2:

When sending the draft vacancy notice for comments, the contact person is informed about the disclosure of his/her data to the public for his/her consent according to the Regulation 45/2001.

When signing the declaration of confidentiality, all members of the Selection are requested to state their approval for the transmission of their data to the shortlisted candidates according to the Regulation 45/2001.

Please do not hesitate to contact me or EIOPA's DPO, should you require further detailed information.

With kind regards,
