Follow-up by the EEA to the Ombudsman's further remarks

Dear Mr Bruyninckx,

I refer to your letter of 17 December 2012 in which you set out the follow-up which the EEA is planning to give to the further remarks raised in the Ombudsman's decision closing this investigation. I am pleased that the EEA has decided to take these remarks into account in the review of its practices with regard to (i) the publication of documents in a public register, and (ii) the prevention and management of conflicts of interest.

I would appreciate it if you could give me an update of these developments at the end of June 2014.

Yours sincerely,

Emily O'Reilly
