Aan Council consultation - OI/2/2017

Onderwerp Transparency of legislative work within Council preparatory bodies

As an academic researcher who did a research project a few years ago on the patterns of communication in the daily workings of the Council preparatory bodies, I would very much like to contribute to the inquiry on the transparency of legislative discussions in the preparatory bodies of the Council .

Please let me know what could be expected of me.

Inhoud Yours sincerely,

Santino Lo Bianco PhD

Senior Lecturer Governance Studies & EU Law

Faculty of Public Management and Law

The Hague University of Applied Sciences
