Subject: EASA transparency programme

Dear Ms O'Reilly,

In October 2014, we informed you that EASA was developing a programme with the objective to implement the concept of openness and transparency to its full potential, in order to allow the civil society to be better informed about EASA activities and to understand its outcomes.

We are currently revising the transparency programme which will be transmitted to you by the 15th of January 2015.

Yours sincerely,

Patrick KY
