Decision of the European Ombudsman closing his own-initiative inquiry
OII/4/2012/CK concerning the European Centre for the Development of
Vocational Training (Cedefop)

Dear Mr Lettmayr,

Please find enclosed a copy of my decision closing this inquiry.

On the basis of my inquiry, I have decided to close it with the following
conclusions:

**The Ombudsman welcomes Cedefop's constructive approach and
willingness to implement the majority of the suggestions that he made after
his visit to the Agency.**

**He regrets, however, that Cedefop could not agree to his suggestion to
adopt a new, proactive policy regarding disclosure of the names of Selection
Board members. In view of the Ombudsman's decision to open an own-
initiative inquiry into how agencies deal with this issue, there are no grounds
for further inquiries into the case.**

Yours sincerely,

P. Nikiforos Diamandouros
